

Giving to Vulnerable Families for a Brighter Future

\$50 Food Aid for Orphans

An orphan-headed household receives food assistance for one month, so young children can go to school rather than surviving as child labourers.

\$75 A Goat to Improve Diet

Nanny goats and veterinary medicines help single mothers provide milk for their children and earn income for other family needs.

\$125 Healthy Lifestyles for Youth

School girls and boys learn about their sexuality and the life skills that promote healthier lifestyles and support educational goals.

\$150 Peacemaking by Women

Women widowed by conflict are highly-motivated peacemakers, so travel to other communities to inspire local leaders to seek peace.

DONATE and RECEIVE A TAX-RECEIPT

www.sautimoja.org/Donations.html OR mail this form and a cheque

I wish to support vulnerable women, children and communities in East Africa with the following gifts.
